#### Speaking

Beni : I think we should start our wall magazine now

Dayu : I don't think we can start now. We should plan it carefully. We should go to people who know how to make a wall magazine.

Siti : I agree with Dayu. We should think before we leap

Siti : I think we need a lot of money to make wall magazine

Edo : I don't think so. We can use used paper. We can also use used wood for the frame

Lina : Yes we can do, so we do not need a lot of money to make a wall magazine. What we need is hardwork.

Edo : What should our wall magazine contain? Can we out any writing we have made there?

Udin : I don't think so. We should not just put anything there. The text should be good and interesting

Lina : And, there should not be many mistakes there

Udin : I think only good texts, with few or no mistakes, can be published

Edo : But how do we know that a text is good enough to publish?

Dayu : I think our English teachers can help check our English. Do you think Mrs. Tini is willing to be the editor of our wall magazine?

Lina : It seems that none of us knows how to make a wall magazine. What if we go to Mrs. Tini and ask her for advice. I think she has a lot of good ideas

Siti : I think so too. Let's go to her now

Dayu : I don't think we can see her now. She is in the staff meeting

Beni : Why don't we go back to *SMP Sumber Ilmu* tomorrow to look closely at their wall magazine? We will know what kinds of texts are published there

Edo : I agree with Beni. We will also look at the layout and the decoration. Do you remember the color of the background?

Lina : Sorry, I don't. What if we just ask for their permission to take a picture of the magazine?

Siti : I think the best thing to do is to meet the team who manages the magazine

Udin : I agree with Siti. We can ask a lot of questions

Dayu : That's a very good idea. We need their help to plan our wall magazine
